

## ABOUT MICAM GROUP

- MICAM Group offers thorough cleaning hire solutions across Education, Health, Sports, Transport, Retail, Offices and Community venues.
- We're able to offer cleaning services Australia wide.
- We respond quickly to workforce demands 24 hours a day.
- All cleaning staff are trained to work quickly with professional work ethics and meticulous attention to detail.
- Our cleaners are trained to sanitise sites post COVID exposure.
- Our teams are comfortable and familiar working across all fields related to COVID-19, from cleaning sites that have had positive cases or simply providing support to sites requiring additional cleaning, keeping staff and the public safe.

## OUR PROCESS

We never compromise — we always maintain strong safety and quality standards. The following process ensures high-quality staffing solutions every time:

### Face-to-face interviews

All potential MICAM employees are required to attend a face-to-face or virtual interview as part of our pre-employment screening.

### Reference checks

All potential MICAM employees are required to supply a minimum of three references, proof of residence in low risk LGAs & a clear COVID test result.

### Team support

Every MICAM employee undertakes an initial goal setting session and are required to undertake COVID tests every 3 days.

## WHAT WE DO

### STERILISE COVID POSITIVE SITES

- Sites are cleaned at the highest standard, using the correct PPE, Hazmat suits, gloves, goggles etc.
- Getting community and business venues open for business in as short a time as possible without compromising public safety.

### HELP BUSINESSES KEEP UP WITH COVID CLEANING REQUIREMENTS

- Businesses and organisations are doing all they can to keep staff and the public safe, sometimes the scale of the task is more than existing cleaning teams can cope with.
- We can supply staff immediately 24 hours a day.

### PROVIDE AN EXTRA LEVEL OF CLEANING VIGILANCE

- Many Australian businesses owners are going above and beyond the standard government COVID requirements to keep their customers safe and their doors open.
- We're available Australian wide, 24hours a day
